INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Rec. JUL 27 1908
No.

Manila, Arke. 7-23-1908.

Union Miller, Special Com.
Washington, D. C.

Dear Sir:-

My parents & grandparents were neither
enrolled for the reason that they were all unable to read
and knew nothing of the enrollment. If they were parties
to any of the treaties I do not know of it.
I claim through my father, John East who lived near
what is now Kennett, Mo. in 1835. None of my ancestors
were ever slaves. I pass as white & Indian mixed in this
community.

Respectfully James A. East

BRIEF CHRONICLES

enc. let.

Manila, Ark. Sept. 1st, 1908.

United States Court of Claims
Washington, D. C.

Sir:-

On August 15th, last, Mr. J. Edward Tylor wrote me from Kokomo, Ind. notifying me to meet him at Jonesboro, Arkansas, on Aug. 22nd. His letter was dated on Aug. 15th, but the post mark at Kokomo shows it was not mailed until the 17th. The back stamp shows that it reached its destination (Lake City, Ark.) on Aug. 18th. I was then living at Lake City, Ark. and was calling for my mail regularly for the reason that I was expecting something relative to this Cherokee claim of mine. I called at the Lake City Post Office on Aug. 20th then again on the 22nd day of Aug. but was told there was no mail for me; consequently, the time when Mr. Tylor asked me to meet him at Jonesboro passed by without my having any knowledge of his intention to be there. However, I saw him at Osceola, Ark. on Aug. 24th while there assisting others in making their proof, but made no proof whatever on my own claim for the reason that I was not asked to do so, nor did I have any witnesses present that could have testified as to my claim. Now, my mail was evidently being held at the post office at Lake City for several days and me being told there was nothing for me, - a matter which I suppose was carelessness or an oversight on the part of the post master; yet, this prevented my offering the proof that I could and would have offered had I received Mr. Tylor's notice.

I desire to know whether or not under these circumstances I can not be given another opportunity of presenting my proofs, as I feel I could make it much stronger by seeing the agent in person.

I desire also to state that my son Josiah W. East was notified at the same time and place that the notice was mailed to me, but his letter was not delivered to me nor none of my folks. Josiah W. East, however, has died since filing his claim and could not have appeared in person. Kindly let me know what course to pursue in the matter now and thus oblige

Yours respectfully,

James A. East

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors ever slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Sir:

In answer to your questions in enclosed letter I shall first say that neither my parents nor grandparents were able to read and lived about 20 miles from any post office. Consequently, knew nothing about the enrollment until - years after it was over. I am unable to say whether any of my ancestors were parties to the treaties of 1835-6 & 1846. If they were I never heard of it. I claim through my paternal grandfather, James A. East, who was the son of John East - a Cherokee Indian. My grandfather resided near New Madrid Mo. in 1835 & in 1851 lived near Big Lake, in Mississippi County, Ark. None of my ancestors were ever slave. I pass as white in this community but grandfather passed as half Indian. Respectfully

Peggie Glass,

Winfield, Texas.

Sir:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner

WV/ELQ.

Miscel.

Peggie Glass being first duly sworn, deposes and says:

That I am about 55 year old of age. I was owned by a woman named Glass. She owned my mother too. I don't think my father was owned by anybody. I claim my Indian descent through my father. He was a full blooded Cherokee. Isaac Mattus was my father. I am not married. My mother was a full blooded colored woman. I was stolen during the war and sold.

M. C. Christian, Gdn. Being first duly sworn, deposes and says: (In behalf of Ethel Christian et al.)

My name is M. C. Christian. I am 75 years old. I am not the proper legal guardian of these children. Their father is living. I was chosen by the father and the oldest child to file this application. The father was rather an illiterate man and wanted me to do it. These children are being raised by their grandfather, my brother. These children are my grand nieces and nephews. They claim their Indian blood thru their mother. Their mother was a full-blood. Their mother died in 1903. She was born in 1871. The mother was an orphan and was raised in the Orphan Asylum. Her fathers name was Charles Curl and she never told me what her mothers name was. Charles Curl is died. I do not know whether he was enrolled in 1851 or not. I do not know what his Indian name was. The mother of these children had not brothers and sisters that I know of. The mother of these children did not draw Old Settler money in 1896. I investigated the matter at that time and we found that she was not entitled. She was on the roll of 1880 under the name of Susie Vann. When her parents died she was taken by a man by the name of Joseph Vann--he only kept her only a short time when she went to the Orphans Asylum where she staid until she was grown. She married a white man. She was of no blood relation to me. Her husband was my nephew.

I went to Tahlequah to see about the mother of these children participating in the Old Settler payment and I was told by the authorities told me that she belonged to the Eastern Cherokees. I was informed by a man by the name of Ned Greese, an old Full Blood, now dead, that the people of the mother of these children were Migrant Cherokees.

All the children have been enroled by the Daws Commission. Their mother always received all the Cherokee payments since 1880. She drew the Bread and Strip payments. She has always been a member of the Cherokee tribe.

No one here able to give more information.

Wm D/ Shocraft being first duly sworn deposes and
says:

My name is Wm D. Shocraft, and I live in Muncie, Ind. I am 70 years of age. I was born in Guilford County in N.C. I left Guilford County when I was 6 years of age. I then came to Ind. where I've lived ever since. I never received any money from the Government on account of ~~x~~ Indian blood. My father is named Wm Tatum Shocraft and he has been dead for over 40 years. He came to Ind. from Guilford County, N.C. when I was about 6 years old. I remember my father very well and also my grandfather. I have often heard my grandfather talk of his Indian blood. He was a full blood and I have heard him say so. A Cherokee. I have also heard my father talk of his grandfather's Indian blood. My father told me that his mother and father were both full bloods. I have seen them both and they died down here in Wayne County. My grandfather lacked one day of being 99 years of age. My grandmother was 115 years of age when she died. My grandfather was named Wm. Shocraft I think. Upon my memory being refreshed from my application grandfather's name was James Shocraft. My grandmother's ~~name was James Shocraft~~ was know by us children as Granny Annie. She was also a full blood Cherokee Indian. My grandparents were born in Guilford County N.C. and they came to Ind. with my father. They nver got any money from the Government on account of their Indian blood. If they had I would have know it. I never heard anything about any money being paid to the Indians 51 years ago. I have heard my grandparents say that the reason we came to this State was because all free people had to leave the State and not be among the slaves down there. My mother was a white woman. In the community in which I live I am regarded as a colored man. My father passed as an Indian in the community in which he lived. I think my father voted once at a general election before he died. I am positive that none of my ancestors were ever held as slaves. I know Jeremiah Shocraft of Grant County Ind. His father and my father were first cousins. I remember Elias Shocraft in Wayne County Ind. he was a blacksmith. I do not remember of any suit between Elias Shocraft and a white man. I know James Robbins of Columbus, Ohio. He is about a very old man.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or your mother or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Where were your grandparents living in 1835? (Give the county and state).

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the years when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Dear Madam: In addition to what I have said in regard to my claim No. 40326 + 34293 in East. Cherokee Fund will say that my grandparents Sabra (Estep) Braukham and her husband, Andrew Braukham moved from Kentucky between the years 1826 + 1832-5 which may have been one reason for their not being enrolled, if they are not, and my great-grandmother Annil (Terry) Estep having married a white man, Cornelius Estep, and moving away may be another reason. My great-grandmother Annie (Terry) Estep was a niece of John Ross who undoubtedly was a party to the treaty of 1835-6 and perhaps that of 1841. The Physique of our people will, beyond a reasonable doubt, point out that our ancestors were what we claim them to be. There are quite a number of Terrys in Kentucky, from whence my ancestors came, some of them very old, who say that they are positively descendants of John Ross the Cherokee, and their resemblance to the Indians would seem to bear out their assertion. For further testimony in my case see witness of Lorenzo S. Hill, an 82 year old neighbor, and others sent in by J. R. Hill of Lockwood W. Va. whose mother is a sister to Saml S Braukham and my mother Rebecca Braukham Taylor.

Yours very truly

Belva A. Lockwood

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1846? Were any of your ancestors ever slaves? Are you now as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Cammel Pierce being first duly sworn, deposes and says:

That I am 53 years of age and live in Mc Minn Co., Tenn. I claim my Indian descent through my father and his mother. My mother and the rest of my grandparents were white. My father's mother's name was McCoy; it seems to me that it was Peggy. She married Jim Pierce. My grandmother died about 80 years ago. My father, I suppose, was born in Tenn. or N. C., I don't know which. My grandmother was born in Va., I think. My father always told us children that we were 1/4 Cherokee Indians, and that my grandmother was 1/2 Cherokee. My father was never on any rolls that I know of. I have heard my father talk about living among the Indians, but I don't know where, but it was in Tenn. or N. C. He never lived with the Indians. My father came to Tenn., Mc Minn Co. about 60 years ago. I don't think he lived among the Indians after he came here. I am recognized as a white man and so was my father, but my father showed the Indian blood a great deal more than I do. Everybody said my father had Indian blood in him.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUN 1 1908
No. 40332

Application, No. 40332.

Maryville, Tennessee, May 28th 1908.

Special Comm. Court of Claims, Washington, D. C.

In answer to questions, propounded to me, in yours of 25th Inst. will say:

1st, I was not ~~enrolled~~ born at the time, when enrollments were made.

2nd, I don't know whether my Mother, through whom I claim, was ever enrolled as a Cherokee, but, I am of the opinion she was not, as she was only about Sixty years old at the time of her death - a little more Two Year ago.

3rd, I do not know why my Grandparents were not enrolled.

4th, I do not know whether any of my Ancestors were parties to the treaties of 1835-6 and 1846.

5th, The Ancestor, through whom I claim (my Mother) was not born in 1835, and in 1851, she lived in the State of Tennessee, but lived the greater part of her life in the State of North Carolina, among the Cherokee Indians.

6th, None of my Ancestors were ever Slaves.

7th, I pass as a white man, although, I know, that, I am an Indian.

People of white and Indian blood, in this part of the Country are classed as white, unless, the Indian predominate too strongly.

There was one time, when I lived in N. C. I was told by Chief Smith, that, I was entitled to benefits, as other Indians, and that, I was entitled to meet with them in Council, at Birdtown, an Indian Settlement.

I am between a quarter and half Indian.

I married a white woman, and part of my children show as much Indian as I do myself.

I claim through my Mother, whose name before her marriage, was Viney Gibson.

William L. Mitchell

I do hereby certify, that, William Mitchell is the identical person, he represents himself to be; that, he subscribed his name in my presence and, that, I have no interest in the Subject-matter herein.

Wm. L. Goddard

Notary Public for Blount Co. Tennessee.

Appln. #40332.

William Mitchell, being duly sworn, deposes and says;

My name is William Mitchell. I am 47 years old. I live in Maryville, Blount Co., Tenn. I claim my Indian blood through my mother. My mother's name was Vinia Gibson. She belonged to the Cherokee tribe. She has been dead five years. I do not know if my mother was enrolled in 1851. I know she was not. She was born in Haywood Co., N. C. She lived in Tennessee in 1851. We lived in Sevier Co. We lived in the mountains about 50 miles from the railroad. She, my mother, claimed Indian blood through ~~her~~ both father and mother. My grandfather's name was John Gibson. I do not know if my grandfather was ever enrolled. My grandfather lived in Tennessee in 1851. I think my grandfather lived in the State of North Carolina in 1835. I heard my mother say that we could have gotten some money out of the nation in N. C. if we had put ourselves to some trouble. I have heard them say that they are entitled. We lived at Bryson City right among the Indians, and they visited us. We have been raised as white people. I know of no one who knows more about my family than I do. I am a brother to Margaret Wolf. (40333).

Rec. JUN 11 1908
No. 40367.

W I L D E R, Tenn. June 8th, 1908.
Special Commissioner of the Court of Claims,
Washington, D. C.

Dear Sir:--

I am in receipt of your communication of the 25th, May and beg to advise that the reason that my grandparents was never enrolled was that they was not living in N.C. at the time of the enrollment and did not know of the fact that the enrollment was being made, they had moved to the state of Mo. prior to the year 1835 and was not parties to the treaty of said date 1835 and 1836 and 1846.

The ancestor through whom I claim was Frank Abston who lived in Mo. in the year 1835 and in 1851 he lived in Clinton Co. Kentucky.

The Abston family was white people and was known as such both in the state of Mo. and also in Kentucky, but while in the Cherokee tribe have always been told by them that the was known about 1/2 Indians, I am,

Yours very truly,

Lucy S. Franklin
